

3/17/20

In conjunction with Governor Whitmer's latest executive order to temporarily close certain public spaces, along with CDC guidelines, we have made the decision to close our lobby for general use beginning 03/17/2020. Our **drive-thru** will remain **open** during regular business hours. In addition, we are refunding all ATM surcharges to allow members free access to all ATM's. We continue to encourage use of our remote services to reduce overall wait times. Visit us at www.limestonefederal.com.

We may open the lobby, by appointment, in instances where the transaction can't be processed at drive-thru or via our remote options. Our operations, accounting, and lending staff will be available via phone, email, or text to answer questions, process loan requests, and handle general account servicing during regular business hours.

Please know these decisions were not made lightly. Our first priority is the safety and protection of our staff to ensure uninterrupted service to the membership.

While we expect our **drive-thru lines** might be long at times, rest assured we will be available via text (906-341-3118), phone (906-341-5866) and even Facebook Messenger for those questions that aren't confidential. If you have transactions that require more time such as cashier's checks, travel cards, or money orders we encourage you to call ahead, we will process your transaction and have it waiting for you.
