### LOCAL BUSINESS SHOUT OUTS

So many small businesses have been helping us secure necessary supplies to keep our staff and facility safe! What are you doing to help local businesses?

### HELLO LFCU MEMBERS! {VIDEO}

We have been serving members via phone, text, and drive thru but our lobby is just not the same!

### THIS MONTH'S GIVEAWAYS

We celebrated Teacher Appreciation Week, highlighted our texting feature, and ran a kids contest to engage our little ones from home!

## MOVING FORWARD AS RESTRICTIONS BEGIN TO LIFT

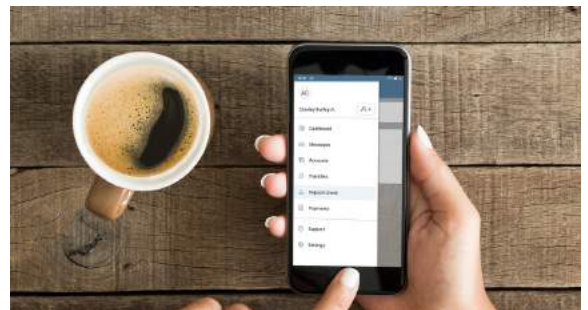

### *NEW Micro Branch in Vestibule*

We are excited to announce that we have opened our first micro branch where we provide limited face to face transactions in our vestibule! While we won't have any cash in this branch, we will be able to assist with the following transactions: Assistance with Remote Deposit, Notary Public, Mobile Banking, document signing, and Certificates of Deposit. We hope this will help reduce lines at drive-thru, however, on our busy days you will find our staff outside providing car hop services to help get you through the lines quicker. We appreciate your patience as we seek ways to provide quicker service without compromising safety or security. We look forward to seeing you soon!

### *Mobile Services Continued to be Recommended*

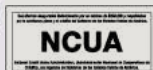

Today's hyperfocus on COVID-19 and the need for social separation is drawing members to use our digital services more than ever. We have recognized and responded to these changes and have made an effort to provide educational tips and tricks to aid in the use of our mobile services. From Remote Deposit to our texting feature to ask questions to a staff member quickly and efficiently, we have the tools to make doing your finances from home quick and easy. Visit our blog at [www.limestonefederal.com/about/blog](http://www.limestonefederal.com/about/blog) to read more about how to deposit a check remotely and for a full list of mobile services available.

**But while we wait, our staff and families want to say hello!**

## HELLO LFCU MEMBERS

*Click to watch our staff video!*

With our lobby temporarily closed due to the pandemic, our staff wanted to bring some sunshine to your day and say hello from home! It's been a while since we've seen someone stroll through our doors and wave hello, crack a joke to us on the front line, or snag a drink from the cappuccino machine. As much as we love helping members via drive thru, telephone, and text, there's nothing like seeing our members in person and catching up for a few brief moments. We are counting the days until we meet again in our lobby!

## INVEST & SUPPORT OUR COMMUNITY

So many businesses have been impacted by the pandemic, it's up to us to do whatever we can to help. Volunteer when someone is asking for assistance, share social media posts when businesses are promoting their shop, or shop local as much as you can to keep money in our area. No act of kindness, however small, is wasted.

A big thank you goes out to Troy's Auto Repair, UP Paper LLC, and Family Pride Laundry for helping us secure necessary supplies to keep our staff safe!

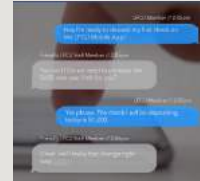

## CONNECT WITH US ONLINE

We love connecting with our members online! Stay up-to-date on member benefits, holiday hours, community involvement, and tons more just by following us on social media.

### TEACHER APPRECIATION WEEK IN MAY

This year, more than ever, we want to take a moment to show appreciation for our teachers. In honor of National Teacher Appreciation Week, we want to take this opportunity to thank all of our educators! We know the value of your contributions to the growth and development of our future leaders and hope you feel our support, not just this week but every week, throughout the year. Angela Snider was our lucky winner of a \$100 Shop Local Gift Basket!

### TEXTING GIVEAWAY

Did you know you can simply text us your questions? Need to increase your Remote Deposit limit? Looking for an updated account balance? Need to transfer money to another member? A LFCU staff member will respond to you right away and get you the answers you need FAST. Congrats Jill Richie who was our random winner of a \$20 Manistique Oil Gift Certificate!

### YOUTH MAD LIBS

What's a Mad Lib? They're fun stories with words removed and replaced by blank spaces to make a story interesting, funny, and sometimes just a little odd! We are always trying to find ways to bring youth around the table to learn something new and encourage smart money habits. Congrats to Bailey Johnson for being our random mad lib winner!

### THANK YOU MASKS FOR MANISTIQUE GROUP

A local group of incredibly caring individuals have put their sewing skills to the test and have made over 2,500 masks for healthcare workers, essential employees, and businesses and organizations now that shops are starting to reopen. These seamstresses of all skill levels have come together via social media to share, discuss, and encourage one another as they create much needed masks for our community.

We at Limestone Federal Credit Union are very thankful for the masks made for our staff thus far. Thank you Masks for Manistique for coming together to do good!
