

# Stash Save Account

A wallet designed as a rainy-day fund

## What is the SAVE Program?

Our new SAVE program allows you to automatically transfer funds from your LFCU Checking or Savings Account and stash it into a new Stash Save Account, earning you 5.10% APY\*! Enrolled members can allocate a minimum of \$5 and a maximum of \$250 to be auto-transferred into their Stash Save Account on a monthly basis.

## Why join?

- ✓ Control over your day-to-day, month-to-month finances.
- ✓ Capacity to absorb a financial shock.
- ✓ Financial freedom to make choices to enjoy life.
- ✓ On track to meet your financial goals.

## How it works?

- The Consumer Financial Protection Bureau has developed a questionnaire as a tool to help measure your current financial well-being— that is, how well your current money situation is. We ask our members to first complete [Financial Well-Being Survey](#) on the [ConsumerFinance.gov](#) website and provide the results to LFCU before enrollment in the SAVE Program ([consumerfinance.gov/consumer-tools/financial-well-being/](#)).
- Opt-in to the SAVE Program by filling out this form and submitting it to [lfcu@limestonefcu.com](mailto:lfcu@limestonefcu.com).
- Establish your monthly Auto Funds Transfer (ATF) with a member of our team.
- After 180 days of enrollment in the program, we'll ask you to do a quick evaluation.

*Save for what's next!*

\*APR = Annual Percentage Rate. APY = Annual Percentage Yield. Your Stash Save Account currently pays a higher rate of dividends for balances \$50.00-\$1,000. Balances \$1,000.01 or more earn 0.10% APR.
